Sir,

I have the honour to state that the water supply Department have been charging this Office at the rate of Re 1/- per 1,000 gallons for water consumed. A reference was made to them to chafge at the rate of Rs 0-8-0 per 1,000 gallons for the Office portion as in the case of other Government Institutions In reply the Executive Engineer wrote in his letter No 3981 dated 20th March 1942 that sanction of Government is necessary in the matter

In forwarding herewith an extract from his letter referred to above, I request you to be so good as to obtain sanction of Government for the supply of water for this Office portion of the District Board Building at Rs 0-8-0 per 1000 gallons. In this connexion I may also point out that the second floor of the building in which the District Board Offices are located has been exempted from payment of building taxes as per Section 64 D of the City Municipalities Act vide your letter No L. 2262/L B 17-41-15 dated 13th September 1941

Regarding Free Allowance on District Board Buildings, Bangalore - Meter No 2661/ 604 G. M.

With reference to your letter No. C3-49/41-42 dated 3rd March 1942, regarding the grant of free allowance to the District Board Building, I have the honour to state that the building consists of several business concerns and as such supply of water to the building with free allowance based on rental value is opposed to rules vide Rule 52 of the Regulati of Water Supply in Bangalore City

Further, so long as there is only one connection for both the Office and business concerns no separate free allowance is possible

If water consumed (for office portion only) is to be charged at Rs 0-8-0 per 1000 gallons without any free allowanc as in the case of Government Public Institutions as per rule 83 special sanction of Government may kindly be obtained as this concession is allowed to only Government Institutions

Under these circumstances, I request you to pay the amount due in full at a very early date if necessary under protest as the arrears are outstanding from a long time

The bill returned with your No C3-49/41-42 dated Nil is enclosed herewith
